UNSERE WEINGÜTER/OUR VINEYARDS

JEEPER-CHAMPAGNE

When Armand Goutorbe, son of Victor Goutorbe, arrived back from the Second World War in 1949, he decides to produce and sell his Champagne. He christened his brand Champagne JEEPER, with an intent to making himself stand out from the many wine growers of the region who also bore the name Goutorbe, and the name referred to the Jeep, a gift from local authorities to help him more easily ascend the vineyard slopes. Located in Faverolles et Coëmy, a town near Reims, in the north-west of the Champagne region, about 50 hectares of area under cultivation among the most beautiful plots, in villages of historical renown which gives us a perfect map of Champagne.

Our house aims to have a neutral carbon footprint by 2025 with an environmental approach based on cutting-edge technology.

Als Armand Goutorbe, der Sohn von Victor Goutorbe, 1949 aus dem Zweiten Weltkrieg zurückkehrt, beschließt er, seinen Champagner herzustellen und zu verkaufen. Er taufte seine Marke Champagne JEEPER, um sich von den vielen Winzern der Region abzuheben, die ebenfalls den Namen Goutorbe trugen, und der Name bezog sich auf den Jeep, ein Geschenk der örtlichen Behörden, mit dem er die Hänge der Weinberge leichter erklimmen konnte. In Faverolles und Coëmy, einer Stadt in der Nähe von Reims, im Nordwesten der Champagne, befinden sich etwa 50 Hektar Anbaufläche in den schönsten Lagen, in Dörfern mit historischem was uns eine perfekte Karte der Champagne bietet.

Unser Haus hat sich zum Ziel gesetzt, bis zum Jahr 2025 einen neutralen Kohlenstoff-Fußabdruck zu haben, und setzt dabei auf modernste Technologie.

CHÂTEAU COS D'ESTOURNEL-SAINT ESTÈPHE, BORDEAUX

“Maybe not the vintage of a century but certainly the wine of a lifetime” MICHEL REYBIER

North of the Médoc, on the hill of Saint-Estèphe, at the bend of the road there are the majestic Pagodas of Cos d'Estournel.

The residence of the Maharajah of Saint-Estèphe is a real palace, entirely dedicated to wine.

This had been desired by Louis-Gaspard d'Estournel, who praised it around the world, in India in particular, from where he brought this penchant for the Orient and exoticism.

Property of Michel Reybier, Cos d'Estournel pursues its destiny, between audacity and humility. The unique style of Cos d'Estournel, born of a sublime terroir magnified with respect by the passion of men over the centuries, made from his discovery a true journey.

Nördlich des Médoc, auf dem Hügel von Saint-Estèphe. In der Kurve der Strasse befinden sich die majestätischen Pagoden von Cos d'Estournel.

Die Residenz des Maharadschas von Saint-Estèphe ist ein wahrer Palast, der ganz dem Wein gewidmet ist. Dies war der Wunsch von Louis-Gaspard d'Estournel, der ihn in der ganzen Welt, insbesondere in Indien, bekanntmachte, von wo er diese Vorliebe für den Orient und die Exotik mitbrachte.

Im Besitz von Michel Reybier folgt Cos d'Estournel dem Weg zwischen Kühnheit und Bescheidenheit.

Der einzigartige Stil von Cos d'Estournel, hervorgegangen aus einem aussergewöhnlichem Terroir, das im Laufe der Jahrhunderte durch die Leidenschaft der Menschen mit viel Ehrfurcht gepflegt wurde, machte aus seiner Entdeckung eine einzigartige Reise für alle Sinne.

CHÂTEAU COS LABORY-SAINTE ESTÈPHE, BORDEAUX

The name of the estate comes from its geographical location on the hill of Cos and the name of François Labory, who was the first owner until 1845. **In 2023, Michel Reybier and his family open a new chapter of the history of Château Cos Labory, classified a Fifth Growth in 1855, in Saint-Estèphe.** With a focus on heritage conservation, this acquisition is a tribute to its founder, Louis Gaspard d'Estournel, who first acquired it in 1847. *Michel Reybier will "perpetuate the estate's independence while pursuing the level of excellence made possible by this great terroir of Saint-Estèphe."* Sitting upon the hill of Cos, the terroir of Cos Labory is situated on its plateau of deep gravel, with its clay and limestone base, benefits from the nearby Gironde estuary and the influence of the Atlantic Ocean temper extreme weather conditions. The 35-hectare vineyard is made up of several islets, three of which form the historic heart at the top of the plateau, with the oldest vines giving birth to the Grand Vin, Château Cos Labory. On whole, the vineyard, aged 38 years old on average, is planted half with Cabernet Sauvignon, a third with Merlot and a small proportion of Cabernet Franc and Petit Verdot.

Der Name des Weinguts stammt von seiner geografischen Lage auf dem Hügel von Cos und dem Namen von François Labory, der bis 1845 der erste Besitzer war. **Im Jahr 2023 schlagen Michel Reybier und seine Familie ein neues Kapitel in der Geschichte des Château Cos Labory in Saint-Estèphe auf, das 1855 als "Fifth Growth" klassifiziert wurde.** Diese Übernahme ist eine Hommage an den Gründer Louis Gaspard d'Estournel, der das Weingut 1847 erwarb und sich um die Erhaltung des Erbes bemüht. *Michel Reybier wird "die Unabhängigkeit des Weinguts bewahren und dabei das hohe Niveau des Terroirs von Saint-Estèphe beibehalten".* Das auf dem Hügel von Cos gelegene Terroir von Cos Labory befindet sich auf einem Plateau aus tiefem Kies, dessen Boden aus Ton und Kalkstein besteht, und profitiert von der nahe gelegenen Gironde-Mündung und dem Einfluss des Atlantiks, der extreme Wetterbedingungen mildert. Der 35 Hektar große Weinberg besteht aus mehreren kleinen Inseln, von denen drei das historische Herzstück auf der Spitze des Plateaus bilden, wo die ältesten Rebstöcke den "Grand Vin Château Cos Labory" hervorgebracht haben. Insgesamt ist der durchschnittlich 38 Jahre alte Weinberg zur Hälfte mit Cabernet Sauvignon, zu einem Drittel mit Merlot und zu einem kleinen Teil mit Cabernet Franc und Petit Verdot bepflanzt.

CHÂTEAU LA MASCARONNE-PROVENCE

Located in the village of Le Luc en Provence, on a sumptuous ring-shaped site where Nature seems perfectly intact. Unparalleled, the views of the estate's age-old stone-walled terraces, magnificent hilly contours and borders of olive trees are truly breathtaking.

La Mascaronne counts among Provence's most outstanding terroirs, and we are able to produce red, white and rosé wines that are wonderfully expressive and balanced, in the Provence style. We are as dedicated to the quality of our rosé wines as we are to that of our white and red wines. Château La Mascaronne Rosé is wonderful young and delightful throughout the year, while Château La Mascaronne Blanc and Château La Mascaronne Rouge offer excellent aging potential. ***La Mascaronne adopted sustainable farming methods in 1999 throughout, and the estate's entire vineyard has been certified Agriculture Biologique since 2016.*** This approach to winegrowing implies a deep respect for the environment and our terroir at all levels and allows us to guarantee the longevity of an exceptional site and its surroundings, as we continue to pursue the exacting methods adopted in the vineyard and cellars over the last twenty years.

Im Dorf Le Luc en Provence gelegen, auf einem prächtigen, ringförmigen Grundstück, wo die Natur vollkommen intakt zu sein scheint. Der Blick auf die jahrhundertealten Steinterrassen des Anwesens, die herrlichen Hügellandschaften und die von Olivenbäumen gesäumten Flächen ist wirklich atemberaubend. La Mascaronne zählt zu den herausragenden Terroirs der Provence, und wir sind in der Lage, ausdrucksstarke und ausgewogene Rot-, Weiß- und Roséweine im Stil der Provence zu erzeugen. Die Qualität unserer Roséweine ist uns ebenso wichtig wie die unserer Weiß- und Rotweine. Der Château La Mascaronne Rosé ist ein wunderbarer junger Wein, der das ganze Jahr über Freude bereitet, während der Château La Mascaronne Blanc und der Château La Mascaronne Rouge ein hervorragendes Alterungspotenzial aufweisen. ***La Mascaronne setzt seit 1999 durchgängig auf nachhaltige Anbaumethoden, und seit 2016 ist der gesamte Weinberg des Gutes als Agriculture Biologique zertifiziert.*** Dieser Ansatz für den Weinbau bedeutet einen tiefen Respekt für die Umwelt und unser Terroir auf allen Ebenen und ermöglicht es uns, die Langlebigkeit einer außergewöhnlichen Lage und ihrer Umgebung zu garantieren, indem wir die anspruchsvollen Methoden, die wir in den letzten zwanzig Jahren im Weinberg und im Keller angewandt haben, weiterverfolgen.

DOMAINE HETSZÖLŐ – TOKAJI, HUNGARY

Hétszőlő' means 7 best parcels of vine-lands on the Tokaj-mountain.

These 7 parcels were united in 1502 by the aristocrat Garai family. This became a first class single vineyard in the world's first official vineyard classification in 1772. Currently Tokaj-Hétszőlő vineyards works on 55 hectares which is situated basically in Tokaj town, at the most north-southern part of Tokaj region. Here we have the perfect conditions for producing excellent quality of aszú wines mostly thanks to the two rivers and the high number of sunny hours. We also have the great crus to have beautiful dry single vineyard Furmint wines.

From 1991, when the company was reestablished and the vineyards were replanted, our company decided to work in the most natural way.

Since 2009 we have been working organically on our vineyards by Hungária öko-Garancia. We are working only with our own grapes which are always harvested and selected by hand.

Hétszőlő" bedeutet 7 beste Weinbauparzellen im Tokajer Bergland.

Diese 7 Parzellen wurden im Jahr 1502 von der Adelsfamilie Garai zusammengelegt. In der ersten offiziellen Weinbergsklassifizierung der Welt im Jahr 1772 wurde dies als erstklassige Einzellage eingestuft. Derzeit bewirtschaftet das Weingut Tokaj-Hétszőlő 55 Hektar Rebfläche, die sich im Wesentlichen in der Stadt Tokaj, im nord-südlichsten Teil der Region Tokaj befindet.

Hier haben wir die perfekten Bedingungen für die Herstellung von aszú-weinen von hervorragender Qualität, vor allem dank der beiden Flüsse und der hohen Anzahl von Sonnenstunden. Wir haben auch den großen Vorteil, dass wir schöne trockene Furmint-Weine aus Einzellagen haben.

Seit 1991, als das Unternehmen neu gegründet wurde und die Weinberge neu bepflanzt wurden, hat sich unser Unternehmen entschieden, auf die natürlichste Art und Weise zu arbeiten.

Seit 2009 werden unsere Weinberge von Hungária Öko-Garancia biologisch bewirtschaftet.

Wir arbeiten nur mit unseren eigenen Trauben, die immer von Hand geerntet und ausgewählt werden.
