LA RÉSERVE EDEN AU LAC ZÜRICH

Under the impetus of La Réserve and the vision of excellence upheld by its owner Michel Reybier, the Eden au Lac hotel is reinventing itself as La Réserve Eden au Lac Zurich. A new 5-star establishment in Zurich, the hotel has been completely redesigned to provide an elegant and timeless experience in the heart of an imaginary yacht club dreamed up by creator Philippe Starck.

Thanks to its unique location in the city and on the waterfront, the hotel provides a unique lifestyle perspective on Zurich. The 40 rooms and suites, two bars and restaurants offer spectacular views of the city and the lake. To be enjoyed as a family or among friends, La Réserve Eden au Lac Zurich is an atypical and highly modern place that is both majestic and sophisticated.
